Good afternoon

Thank you for your fax in relation to a telephone call which was made from 0044 7841131571 to 0845 9724724.

I would like to advise that this telephone number is for Abbey's telephone banking facility, a test has been carried out and on connection, a list of options are supplied to the caller.

A caller would need to select the option required before being connected to an advisor and this would take longer than 9 seconds, I am therefore, unable to supply any further information which would be of help.

If I can be of any further assistance, please contact me by e-mail or telephone.

Many thanks

Karen Green
