■ Ghede (or Baron Samedi) is the sinister god of the dead in Haitian Voodoo mythology. He wears dark glasses, a black tailcoat and top hat.

In HAITIAN VOODOO SEX KILLINGS A VOODOO PRIEST (GHEDE) dresses up like GHEDE then rapes, tortures, mutilates then slits the girl's throat.

Guede... denies killing Meredith

Distinguished Gentlemen:

I have been following the GUEDE / MEREDITH KERCHNER case. In December 1978 I was sent by the MOTOROLA CORP. to examine the HAITIAN ARMY'S communication system, including that of the President's Palace in PORT au PRINCE. Now HAITI is full of VOODOO worshippers. You have a man in custody who calls himself RUDY GUEDE and who says he comes from the COTE D'IVOIRE in AFRICA, where they speak French just as they do in HAITI. When I look at the above photo of GUEDE I don't see an innocent man. I see a cynical lying, callous killer. The manner in which MEREDITH KERCHNER died is similar to ritualistic VOODOO sexual killings (torture, rape, mutilation and throat slitting) in HAITI. So my guess is GUEDE is a HAITIAN killer who is probably older than 22. Look at his photo. Would you like your 21 year old daughter's last moments to be ones in which she was raped and butchered by GUEDE? I don't know what his real name is but it won't be GUEDE. I think he is from HAITI. His name GUEDE is a mis-spelling of the HAITIAN VOODOO GOD of the DEAD whose name is GHEDE also known as the sinister BARON SAMEDI. Let us hope you unravel the TRUTH about GUEDE and that he spends the next 100 years under hard labour.
