COLLOQUIO DEL 17 NOVEMBRE 2007

A): They were so excited when I umm... like... when... everyone was just like jumping for you, kissing each other when like I was like telling them I don't know, I'm like not sure, and they're like no, no, no, no... (inc.)

M): Oh, yeah.

A): Just go with it .

M): They feel like... your lawyers feel like they can fight that pretty easily.

A): Yeah, yeah, yeah. That's no big deal. I didn't have a lawyer there, they kept yelling at me and hitting me.

M) Yeah, yeah.

A) And stuff, okay... yeah... thank you because

M): 'cause if you were naïve... Did you ask for lawyer, ever, in all of this?

A): No, because I didn't know, I didn't know I was a suspect, they were just asking me questions and I was like okay, well here's the answer to the question and they were like

"no, you're a stupid liar, and I was like what...

M): That was probably the part where you should've asked for a lawyer.

A): I was like uh... and then they were like... one lady said Umm... Do you want a lawyer here right now, and I was like well yeah, and she was like 'well, it just makes it a lot harder for you to have a lawyer here, and I was like ok.

M): So you did? Did you tell your lawyers that? That they asked you and you asked for a lawyer?

A): Yeah, I told them ... (inc.)

M): Ok, good.

P): So did you talk to... let me see, today's Saturday, right?

M): Yeah, so tomorrow 's probably gonna be tough, right?

A): Tomorrow's ... (inc.) is suck, Sunday suck.

M): Ok, Monday. Though ... umm...

P): And Luciano's coming this evening.

M): On Monday ... (inc.) your lawyer will be here on Tuesday, your other lawyer will be here on ... (inc.).

A): And when are you gonna be back?

A): Sì, sì, sì. Non è niente. Non avevo un avvocato lì, continuavano a urlarmi e a colpirmi.

M): Sì, sì.

A): E le cose, okay... sì, grazie, perché...

M): Perché se tu eri ingenua... Hai mai chiesto un avvocato in tutto ciò?

A): No, perché non sapevo, non sapevo che ero sospettata, mi facevano solo delle

domande e io gli rispondevo: Ok, ecco la risposta alla domanda, e loro mi dicevano:

"no, sei una stupida bugiarda", e io dicevo: "cosa?"...

M): Quello era, probabilmente il momento in cui dovevi chiedere un avvocato.

A): Dicevo, uh... e loro dicevano... una signora ha detto 'Uhhh...vuoi subito un

avvocato?' E io ho risposto "beh, sì" e lei mi ha detto: "Bene, sarà più difficile per te se

c'è un avvocato qui" e io ho detto: "ok".

M): Quindi l'avevi chiesto? L'hai detto questo ai tuoi avvocati? Che te l'avevano

chiesto e tu avevi chiesto un avvocato?

A): Sì gliel'ho detto.
