For the continuation of the Police investigations, you are kindly requested to inform us urgently about any possible bank relations that the following person may have had with your Bank:

- Meredith Susanna Cara KERCHER, born in London on 28.12.1985.

In particular, it would also be useful to know about the existence of bank cards owned by the same person and their relative movements **from 20th October to 10th November 2007.**

You can send your answer at the following fax number:
